

Expert Package

Integrated Solutions Adding Value To Help Grow Your Business

• Overview

The Expert package is designed for businesses who have their own inventory (purchased from us or other suppliers) who want the benefits of a fully managed service.

This package provides access to our experienced team and expansive infrastructure, strategically situated in Yorkshire near the East Coast of England, making it an ideal location to cater to the needs of the UK and Europe. Our 6350 sqft warehouse boasts the capability for container reception and storage, complemented by our pallet and bin location picking services. Utilising a cloud-based system, our warehouse management, inventory tracking, courier and E-commerce order management system feature seamless platform integrations and robust reporting capabilities. This setup enhances productivity and efficiency, providing essential support for business expansion.
